

Bamboo 4GB Flash Drive

PRODUCT DESCRIPTION:

This swivel flash drive is an environmentally friendly option for data storage, offering 4GB of memory with a USB 2.0 interface. Manufactured from sustainable bamboo, this flash drive is designed with style in mind. Not only does it look great, but it also offers a reliable and secure way to store your data. The swivel mechanism allows for easy access to the USB connection and the drive is lightweight and portable so you can take your data with you on the go. Data uploading is available upon request.
