

Prodigy Vacuum Cup

PRODUCT DESCRIPTION:

The Smart 600ml double wall cup boasts a sophisticated design, constructed with high-quality stainless steel and a durable powder coating. Its innovative vacuum insulation ensures long-lasting temperature retention. This BPA-free cup is accompanied by a transparent lid, expertly crafted for a secure fit and equipped with a convenient sliding closure. The Prodigy laser engraving technique adds a touch of elegance, culminating in a sleek, shiny steel finish. To enhance its presentation, this product is elegantly packaged in a sleek black gift box. While it is not suitable for dishwasher use, we recommend handwashing to maintain its pristine appearance and functionality.
